

# June Term Independent Proposal

Student Name: \_\_\_\_\_

**Due March 28, 2019!** June Term gives students the opportunity to explore deeply an area of study that has aroused their curiosity and interest. June Term is a key element to inspiring students to become life-long learners and to follow their passions. It is also an excellent time to conduct student internships and CAS activities in the form of an independent June Term program initiated by the student. Independent June Term programs must be supervised by an adult mentor who is not a parent. The student should plan to spend at least 4 hours per school day working on this activity. Deliverables will be assigned by the Head of School and are due at the presentation on June 12. Students must be in upper school and have a 3.0 GPA and be in good standing to be approved for an Independent June Term.
