INDIVIDUAL EMERGENCY KITS *

In the event of an earthquake or other disaster during school hours, all students will be cared for on campus by West Sound Academy staff. In order to help everyone be prepared in the event of any such emergency, each student needs to have an individual kit with the following items. These kits will be stored on campus, and will be sent home at the end of the school year if they are not used. Use a plastic container with a separate lid, and have the student's name clearly written on the outside. **Due to storage constraints at school, please use a container that is no larger than 12-quart capacity.**

Each individual emergency kit should contain:

- 2 large (33-gallon size) garbage bags
- 3 plastic spoons
- 2 granola bars
- 2 candy bars
- 3 containers of juice (aseptic cartons or cans)
- 1 Mylar blanket
- 3 cans of food (pull-top lid only – nothing requiring a can-opener)
- 2-3 small containers of pudding
- 3 boxes, individual-serving size, of ready-to-eat cereal
- 1 flashlight with batteries
- Comforting letter from parents with photo

*For safety reasons, please turn in emergency kits to the front office **no later than two weeks after the first day of school.**
